

# Advertisement of grants from the SUTA 2020

The scholarship is primarily to be granted to younger researchers, whereby the SUTA Grants Foundation would like to see that the amounts distributed in each case cover at least a substantial part of the travel/research expenses.

Scholarship can be sought for, among other things

- Essay, research report
- Exchange studies
- Travel
- Visit

Scholarships can be applied for at any time to end of the year 2020. The application must not be made retroactively.

A budget form must be completed and attached with the application. The budget should be based on expected real costs.

It is only possible to be granted one scholarship per call from the Jubilee grant. Scholarships can be given up to a maximum of USD 1,500 per person.

Change of destination is not granted. Grants granted that are not used for the purpose sought must be refunded.

All scholarships are personal. Recipients of a scholarship must submit a brief report no later than one month after the completed trip/research.

For further information please contact [grants@suta.org](mailto:grants@suta.org).

Please read the advertisement carefully before completing the application. Please note that only complete applications will be considered.

All applicants receive written notification of the result by e-mail.

The results will be informed on Jan 2021.
